

FIVE FIELDS. ONE BUNKER KIT.

Five 150 x 120 ft fields. Each uses 50 bunkers: 24 mirrored pairs and two shared midfield bricks. Teams start at (0, 60) and (150, 60). All maps use feet, the same 10 ft grid and the same eight AIRUPS product selections.

01 CROSSROADS / STANDARD 1.0

Original rounded flanks and hook snakes

02 SWITCHBACK / STANDARD 1.0

Two stair-step snakes and a zigzag middle

03 CITADEL / STANDARD 1.0

Central low-cover horseshoes with four outer approaches

04 SPLITLINE / STANDARD 1.0

Upper straight snakes, lower Dorito lanes, open central switch

05 ORBIT / STANDARD 1.0

A true curved ring with inward spokes and an open core

BUY ONCE. RECONFIGURE FIVE WAYS.

6 x Large Brick

6 x Aztec - 5 ft Tall

8 x Small Dorito

8 x Short Cake

4 x Tall Can

6 x Pin

4 x Mini W

8 x Snake Beam

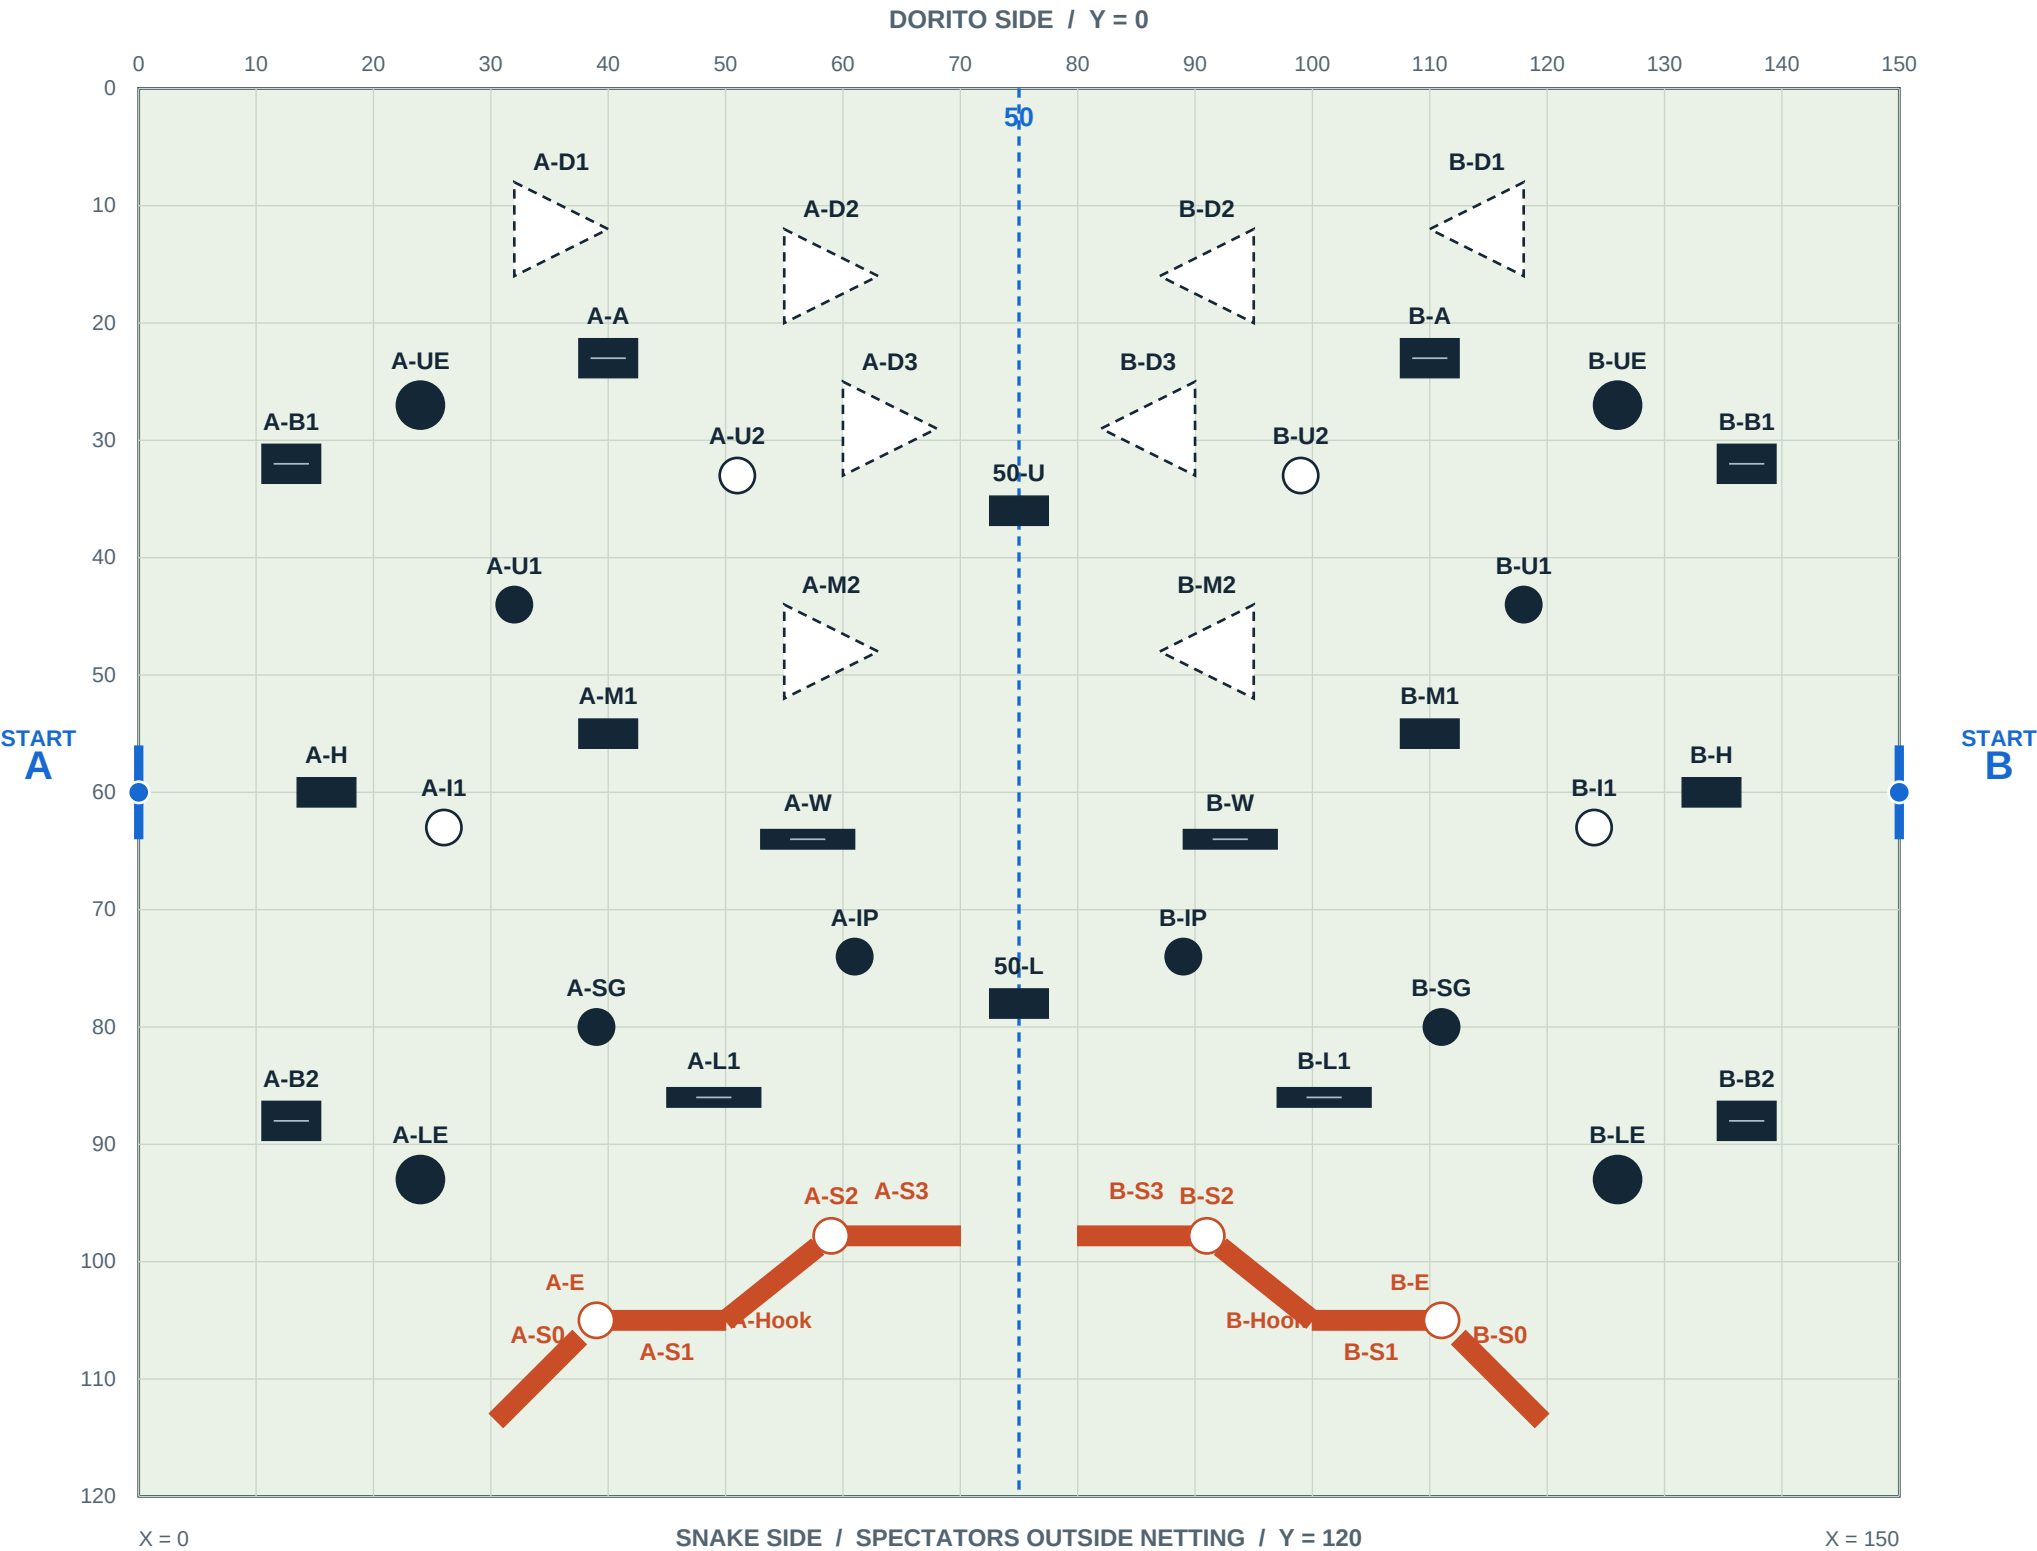

The four-page guide inside each map folder includes all 50 coordinates, beam angles, nominal dimensions and purchase links. Dorito ground footprints remain unverified; the Tall Can title/details disagree on height. Fit inflated snake junctions symmetrically. These published layouts have geometry checks, not competitive playtest certification.
